## Selectmen's Report

---

Our cover picture this year is a winter view of the Northern Peaks overlooking Pond of Safety, Mts. Madison, Adams and Jefferson. With the ever increasing popularity of the small "over the snow" vehicles more people are exploring the back woods than ever before. We are indebted to Paul Doherty for this fine photo.

The photo inside the front cover is proof that the local Home Extension group does not always spend their time trying a new method of cooking spaghetti or hooking rugs. Here are some of our group on the 19-Mile Brook trail trying out the time-honored method of winter transportation; snowshoes are very dependable.

Inside the back cover Road Agent Kenneth Corrigan breaks out windpacked drifts at the Underhill House. Both inside cover photos are by Miriam Underhill.

Each passing year leaves its mark and the old days recede deeper into history. The greatest change this past year of course is the new Route #2. It is not yet completed, but well on its way. On its completion, mid-October '66, the town will take over the present Route #2 from the Postoffice west to Lowe's — thus doubling the road mileage presently maintained by the town.

Up until now the town has not owned any road equipment, possibly we can continue to hire the necessary equipment or perhaps now is the time to start acquiring some. Certainly it is time to weigh the pros and cons.

The town has put a water line to the Town Hall. Since the Holdens and Beans were laying a line to their houses, and since the only logical way to the Town Hall was through the Holden's yard, it seemed best to put the town line in (financially and practically) while their yard was dug up.

### WARRANT

Article #16 would provide money for a new fire pump. The present one is 15 years old and although still operating, a failure is more likely at this age than with a new one. The plan is to keep the present one as a stand-by.

Article #20 — Last year's warrant contained an appropriation of \$600.00 to purchase additional land for the cemetery. Due to unavoidable circumstances it was impossible to complete the transaction this past year.

Article #21 — Two years ago Randolph appropriated \$1,795.00 as its share in building the Whitefield Regional Airport. Not all the

towns in the area contributed. Because of this and increased costs in some areas they have run out of money and are asking the participating towns for more. The airstrip itself is completed except for paving and there is more to do in relocating the railroad. If the necessary money is provided the work can be completed this spring.

Article #22 — In anticipation of needing road equipment due to the town taking over the present Route #2 we think it wise to start a Capital Reserve Fund for this purpose.

### HOUSES

Two of the oldest houses in town, the Scates house and the residence of George Drown, were demolished as a result of the road construction. Two others, Freeman Holden residence and Sherman Brown residence were moved to new locations. One other house, John Ogilby's residence on Randolph Hill, was lost by fire. Three new houses were built on the High Acres Road on Randolph Hill; year-round residences by Rt. Rev. Robert Hatch and Mr. John Fitzpatrick and a summer home by Frank A. Tredinnick Jr., so numerically the status quo was maintained.

### IMPROVEMENTS

Extensive additions and improvements were made to both houses moved because of the road construction. Garages were built by a number of property owners — Hershner Cross, Kenneth Corrigan, Auvern Kenison and Glenn Lowe. A study was built on Dr. Horton's property and improvements were made by Rev. Williams, Thomas Barrow and Thomas Bean.

### NEW RESIDENTS

The following became year-round and voting residents in Randolph this past year:

Mr. & Mrs. Arley McDonald  
 Mr. & Mrs. Alan Lowe  
 Mr. & Mrs. John McKee  
 Mr. & Mrs. John Fitzpatrick  
 Mr. & Mrs. Malcolm Stewart  
 Mr. & Mrs. Curtis Bader

### CHANGES IN OWNERSHIP

Mr. Angus Cameron to Sgt. Abbot Young  
 Mr. Philip Lowe to Prof. William Muehl

A sincere welcome, on behalf of the Town, to these new home owners and residents.

## The Ravine House Development

The development of the wildlife center on the Ravine House land to the south of the present U.S. #2 goes on.

A slice of land along the southern border has been used by the State for the new U.S. #2. For this the Town was paid \$1,050.00, but the Town has entered into a joint suit with other property owners who regard the rate used by the State for the land purchases as below standard and hopes for an adjustment upward. In the meantime the sum already paid has been duly deposited in a savings account at the bank, for the development and maintenance of the center.

The lake is now known to have a sufficiently non-porous bottom to hold its level from the water poured into it from Snyder Brook; and fortunately the fish know this, too. They are beginning to breed beautifully. If trout could only cultivate a little greater sense of family responsibility and at least give up the habit of eating their offspring, they would do better by our lake.

The beaver do not seem to have had much better moral training. They keep gnawing down our trees along the shore. At least they keep busy, but even this is a questionable virtue, for they go on damming up the inlet to make a new pond, which is unnecessary, and damming up the outlet, which is not helpful to us. We think we can cure them of the latter by putting up a network around the outflow.

To improve the woods on the south side of the center we shall have to wait till the fence is up separating our land from the highway, but there is no reason we cannot begin this spring to clean out the weed trees near the present road and if necessary begin the planting of beaver-proof conifers to make an inviting forest.

It is not likely that we shall receive federal aid for this project. We shall have to rely on the contributions of generous friends.

## Report of Librarian

The Randolph Library continued to benefit from the generosity of its friends. Of the 49 titles added this year, over 25% were new books donated by the Home Economics Extension Group. Three volumes were given in memory of the late Mrs. Kenneth Arsenault by her friends and neighbors.

Gifts were also received from Mrs. James S. Alexander, The Appalachian Mountain Club (New England Canoeing Guide), Dr. Kenneth Arsenault, Mrs. Lloyd W. Carpenter, Miss Anna Gulick, Dr. and Mrs. Ira Hiscock, Dr. and Mrs. Douglas Horton, Mrs. C. F. Judson, Mrs. J. L. Lancaster, the late Mr. A. Noble McClintock, Mrs. John B. McKee, Mrs. Thomas Marble, Mrs. Armand Martin, Mrs. Justus Sanburn, Dr. Richard G. Wood, and Miss Dorothy Young.

Two books were added to the Randolph Authors shelf: "Vatican Diary 1962 and 1963" by Dr. Horton. Dr. Wood donated two old maps of Randolph and Gorham, facsimile reproductions of pages from the Leavitt Atlas, of special interest as they show the names of the landowners 100 years ago.

Although fewer people came to the library this year than last year, the number of books loaned was 10% higher. The library was officially open 50 hours for a total circulation of 541 volumes, up over 300% in five years. Ten families borrowed 141 books for winter reading.

## New Hampshire State Dept. of Health

---

December 29, 1965

Mr. Rayner M. Reed  
Town Clerk  
Randolph, N. H.

To the Citizens of Randolph:

During 1965, 22 visits were made in the community, and these visits are classified as follows:

Cardiovascular	1	Mental Health	1
Crippled Children's Service	2	Tuberculosis	3
Health Supervision	14	Other	1

One child is attending the Orthopedic Clinics in Berlin, and was a patient at Crotched Mountain Rehabilitation Center this summer.

With the advent of Medicare, all local communities will find themselves directly involved. Local efforts should be directed toward the problems of organizing and implementing personal health services. Is your community ready?

Medicare is the bringing together of people **needing** and providing service. A major contribution to the health care for the aged lies in the provisions for home care benefits.

Communities need to plan and develop new patterns of services geared to meeting the needs of the chronically ill, aged and infirm persons living in their own homes. Care in the home often saves money for the family and the community.

All citizens of your community must work in a spirit of partnership in recognition of a common purpose—the assurance that health care of high quality will be part of the security to which all Americans can look forward in the latter years of their lives.

It has indeed been a pleasure to work with the Citizens of Randolph and I extend my appreciation to them for their cooperation during the past year.

Respectfully submitted,

### Warrant

Your Warrant contains three special articles involving a tuition contract, Federal coordinator position, and Public Law 89-10.

**Article 9.** relative to a tuition contract. The District will complete the second three year contract with Gorham. The contract has saved the District tuition expense for students attending the area vocational program at Berlin High School. A renewal would be for a three year period.

**Article 11.** relative to Capital Reserve Fund. To see if the District will authorize the School Board to withdraw monies and accumulated interest in the hands of the Trustee of Trust Funds, said money to be applied against the purchase price of the bus.

## **Program of the White Mountains Region Association 1965 (28th year)**

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 33,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Outstanding Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member inn-keepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.
